

 The Summary of Benefits and Coverage (SBC) document will help you understand your health plan. The SBC shows you how you and the plan share the cost for covered health care services. This document is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please refer to the plan's summary plan description (the "SPD") available at [www.roadcarriers707.com](http://www.roadcarriers707.com) or by calling 1-800-366-3707. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.roadcarriers707.com](http://www.roadcarriers707.com) or call 1-800-366-3707 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	None for in-network service; \$200/individual, \$400/family for out-of-network service.	Generally, when the deductible applies, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	No deductible for in-network service; no deductible for hospital, emergency room, ambulance services, prescriptions, dental, vision or hearing aids out-of-network.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	If in-network \$2,000/individual, \$4,000/family; If out-of-network \$2,500 / individual, \$5,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Deductibles, premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="http://www.empireblue.com">www.empireblue.com</a> or call 1-800-810-BLUE for a list of participating providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> )
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
