IMPORTANT NOTICE TO ALL CONTRACTORS

Section 11, Paragraph 1 (a) of Current Agreement

For the purposes of reciprocity within the Northern Illinois District Council of the Operative Plasters' and Cement Masons' International Association consisting of Local Unions Nos. 502, 5, and the areas 161, 362, 638, of the International Local No. 11, there shall be a home local or area for each member.

The term "home local union" is defined as the local union or area in which an individual is a member in good standing or is dispatched from.

All authorized check-off, working dues, fringe benefits, training and savings funds shall be paid to the person's home local union in the same manner and in the same amounts as if the hours of work had been performed within the jurisdiction of the Cement Masons Home Local regardless of where the work was actually performed.

Section 6, Paragraph 4: New Equipment. Whenever a paving machine, concrete spreading machine, mechanical straight edge, multiple troweling machine, or similar type machine or any other new equipment or procedure is to be used on any type of work covered by this Agreement, which in the opinion of the Union could adversely affect the job security of employees covered by this Agreement, a prejob conference will be held. (This includes the Laser Screed.)

Sincerely yours,

Kevin J. Farley
