Death Benefit Beneficiary's

There is nothing more frustrating to a family while making funeral arrangements, than to find the beneficiary had not been updated since the member initiated into the Union. It is essential to keep your beneficiaries up-to-date to avoid any complications in the distribution of these benefits. We can email or mail new forms for you to fill out. If you have major life changes, please make sure the beneficiaries we have on file are accurate. Call the hall if you have any questions.

Have a Happy and Safe Labor Day weekend!

Fraternally,

James Clouse
