To All Members of Plumbers and Pipefitters

Dear Brothers and Sisters:

Dues Payments Upgrade for Recurring Payments

To avoid suspension fees and stay in good standing, members can easily set up recurring payments on our website, pp344.com, or by downloading the ISAQR app. Do not let a busy schedule or forgetfulness disrupt your membership. If you need your sign-on credentials, please contact Dana at the Union Hall. We recommend setting up your recurring payments in the app as soon as possible.

Are your Beneficiaries Current?

If you have experienced any major life changes, it is crucial to keep your beneficiaries up to date. One of the most frustrating times for families is during funeral arrangements and discovering that the beneficiary information has not been updated. The local union and the Benefit office can mail or e-mail beneficiary forms. The beneficiary forms for EMPOWER can be found on the Local 344 website under "forms" tab.
