### Notice of Summary of Material Modifications to the Summary Plan Description Dated January 1, 2012 for Benefit Improvements for participants in the Wisconsin Electrical Employees Health and Welfare Fund.

May 11, 2016

Please be advised that the Board of Trustees is pleased to announce that **effective July 1, 2016** the following benefit improvements will take effect.

- Effective July 1, 2016 the amount payable for Short-Term Disability Benefits will be **increased from \$350 to \$500 per week.**
- Effective January 1, 2016 Anthem Blue Cross and Blue Shield welcomed Dean Clinic and SSM Health Hospitals to Blue Preferred and Blue Access Networks which will add Dean Clinic as well as St. Mary's Madison, St. Mary's Janesville and St. Claire Hospital.
- Anthem Blue Cross and Blue Shield is working with AllClear ID to provide identity protection to those members with active medical coverage as of January 1, 2016. Here is what is available to you:
  - All Clear Identity Repair – is automatically available to eligible health plan members with no enrollment required. If you become a victim of identity theft, an AllClear investigator will act as your guide and advocate from start-to-finish until the issue is resolved.
  - All Clear Credit and Identity Theft Monitoring – is an extra layer of protection that helps you stay informed of your credit activity. Enrollment is required if you choose. Once you sign up, they will send alerts when banks and creditors open new accounts in your name. If something doesn't sound right, you'll be able to contact them right away. If you would like to learn more, visit [anthemcares.allclearid.com](http://anthemcares.allclearid.com) or call (855) 227-9830, Monday-Saturday
