Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0	See the chart starting on page 2 for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Yes. Outpatient services and stand-alone benefits.	This plan covers some items and services even if you haven't yet met the deductible amount, but a co-insurance may apply. For example, this plan covers certain stand-alone benefits without cost-sharing, and before you meet your deductible , such as Chiropractic, Non-Surgical Physical Therapy, and Sterilization Benefit (member or dependent spouse only). See a list of covered stand-alone Benefits at https://pibf.org/wp-content/uploads/SPD2019.pdf
Are there other deductibles for specific services?	Yes. \$250 person, \$500 family for prescription drug coverage. \$500 person, \$1,000 family for in-patient hospital service. There are no other specific deductibles .	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1 st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible .
What is the out-of-pocket limit for this plan ?	\$5,000	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit ?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	No.	This plan treats providers the same in determining payment for the same services.
Do you need a referral to see a specialist ?	No.	Some of the services this plan does not cover are listed on page 5. See your policy or plan document for additional information about excluded services .

 All [co-payment](#) and [co-insurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
