

A “cookie” is a small summary text file that is stored by your mobile phone (e.g., iPhone or Android) or by your browser (e.g., Internet Explorer, Edge, Chrome, Safari or Firefox). Cookies allow a website to store some information about users, allowing the website to recognize a user and respond appropriately.

- The website may use cookies to collect anonymous usage statistics to track site utilization. Identifiable visitor usage information may also be stored in internal log files. We use this information to troubleshoot issues, improve our online services, and for analytical purposes, such as analyzing trends, administering the Site, tracking user movements and gathering broad demographic information.
- The website utilizes cookies to ensure basic functionality for authenticated users, including but not limited to initiating and terminating valid sessions.
