Member Assistance Program (MAP)

What is a MAP?

A MAP is a member benefit available to all Electrical Union Local 369 members and anyone living in the member's home. This program offers short term counseling (up to 6 counseling sessions) for personal and family problems along with a variety of resources and referrals for a broad range of topics. All counselors are licensed mental health professionals. There are times when the clinician may recommend a referral to a higher level of care and support with qualified professionals or agencies.

Program Highlights:

-The MAP is free (no co-pay).

-Automatic coverage on first day of membership – no enrollment needed.

-Call directly - no referral needed.

-You do not need to have health insurance in order to use the MAP (these are separate benefits).

-The MAP is confidential (by law).

-Up to 6 counseling sessions per problem, per year.

-In Person, telehealth, telephone sessions are available.

-Legal, Financial, Eldercare, Childcare Daily Living Resources.

-Comprehensive Work-Life website with articles, webinars, videos and self-guided skills courses.

Included in the MAP:

Legal Services

Members have access to one (1) sixty-minute telephonic or face-to-face consultation per separate legal matter at no cost, with a network attorney. If you decide to retain the attorney after the initial consultation, you will receive a 25% (35% for family law) discount from the normal rate. Estate planning discounted flat-fee services available.

Financial Services

Members receive no cost telephonic consultation with staff model financial counselors. Consultations are generally limited to thirty to sixty minutes in length per issue.

Eldercare Telephonic Case Management and Referral

Members will receive telephonic consultation and guidance in dealing with elder care issues. A Geriatric Case Manager will evaluate the situation, develop a case plan, educate families about their options, and suggest services that address their particular needs.

Childcare Resources

Members will receive telephonic consultation and guidance in dealing with childcare issues. Counselors will help individuals evaluate suitable providers and resources.

Work-Life Website

Members have access to a Work-Life website portal that includes interactive tools and resources on emotional well-being/mental health, family life, financial, legal, stress and personal growth. A webinar is published every month focused on a wide range of popular topics and are archived for future access. Participants will have access to 64 'Soft Skills Courses' available on a variety of work-life topics; each course is self-paced and concludes with a completion certificate.
